

**TO ACHIEVE COMPLIANCE WITH THE WORKER PROTECTION STANDARD YOU NEED TO OBTAIN a “How to Comply with the Worker Protection Standard” Manual (HTC Manual) for Agricultural Pesticides.** The 128 page booklet was revised in 2005.

The HTC Manual provides the information an employer, manager or safety officer needs to implement and comply with the requirements of the Worker Protection Standard.

The **HTC Manual** is available on line at:

[www.epa.gov/pesticides/health/worker.htm](http://www.epa.gov/pesticides/health/worker.htm)

OR

**CD - ROMS** that contains the HTC Manual in addition to training guides for worker and handlers and WPS fact sheets that address topic such as eye flush and central posting requirements are available upon request from MDA.

OR

**Hard copy** (paper) HTC Manuals are available upon request from MDA.

**To order** the CD-Rom of Hard copy, contact **Steve Poncin** at the MN Dept of Agriculture. Ph 651/201-6136 or [Steve.Poncin@state.mn.us](mailto:Steve.Poncin@state.mn.us)
