

Minnesota Agricultural Exports

- Minnesota is the 4th largest agricultural exporting state in the U.S.
- Minnesota exported \$9.2 billion in agricultural products in 2021.
- Minnesota’s top export commodities are soybeans, corn, feeds, red meat, dairy, and wheat, the combined which accounted for two-thirds of the state’s total agricultural exports.
- From 2000 to 2021, Minnesota’s total agricultural export more than tripled – far higher than the national growth rate.
- Exports are crucial to Minnesota’s agricultural economy, contributing over one-third to the state’s total agricultural sales.
- In Minnesota, ag exports support more than 52,000 jobs both on-farm and off-farm, and generate over \$14 billion in total economic impact.
